## OIL PATCH CHAPLAINS

### *Who We Are*

We are trained and available, anytime, anywhere, to be a caring and supportive presence in the lives of oil and gas industry personnel and their families.

### *What We Do*

#### *Critical Incident Response*

- Critical incident interventions and crisis care
- Family and peer grief support
- Death and serious injury notifications
- Resource and referral options

#### *Awareness and Prevention*

- Addiction education
- Stress management
- Resources and referral options
- Anger management
- Suicide awareness and prevention
- Family life education

#### *Faith Resources*

- Pastoral counseling
- Christ centered professional counseling
- Bible studies and discipleship classes
- Support groups for grief, divorce and addiction recovery
